ABOUT US

At SSI we pride over selves on being able to provide the best quality Spare Parts for the lowest prices for :

CAT Motor Grader : 120K/H ,140H, MITSUBISHI : 330 MG
KOMASTU Motor Grader : GD511, CASE :845 B XCMG :165
Leeboy : 785/985 Sany : PQ190, SDLG: 9138 /9190
Liugong : CG414, BEML:605

When you call SSI you will speak to an expert manufacturer that will provide you not only the best Qaulity spare part according to the application but also wil give you the price that is right for y our budget.

We realize that by the time most of our customers find us they have realized how Expensive it can be to buy from some of those "chain" stores, however because we are a National distributor and we keep our overhead very low and of course we pass those savings along to the consumer.

So whether you are a developer, contractor, or direct consumer, our Team wil work tirelessly to provide you the best quality spare part for your equipment, because we understand that Heavy earthmoving equipment is the backbone of any project. An effective spare part can save a project from being hampered as best quality spare part is the backbone of heavy earthmoving equipment. We know that fast, prompt and simple delivery is a must and that is why we keep spare parts worth Rs. 2 million Dollars in our warehouse at one time.
